Dear □ □

I was awaiting nearly every week a letter since our last telephone conversation, but seems you forget all about being very busy in other important things.

Here with me everything is so far fine, as I told you I have passed Life Insurance examination in states New York and New Jersey.

Employed by Mutual Life Insurance Co of New York
W.E.F. Macch. So far I didn't sign. I must get with them waiting your advice.

I have received a letter from Jordan, from which I understand that boys arm is getting better, but unfortunately doctor has discovered during his health examination that he has little trouble with his lungs, therefore he is under treatment at present. Waiting your letter eagerly.

Sincerely yours
Mikhail Gorkov

P.S.
My kind regards to all friends
whom I told these, specially
to Jack.
